**Our next Meeting to be held on
Saturday 19th of October 2019 at 9:00 am.**

The monthly project is a laminated item of your choice and other items you may have made.

After morning tea, we will have a group discussion on Finishes. This topic would be of interest to our newer members and I encourage you to come to the meeting.

The more experienced turners, could you please bring along samples of the polishes you use to show others.

The financial members' list is on the notice Board.

The list records the members who are entitled to use the machines.

If a member wishes to start using any of the machines they should have a talk to the Treasurer, Peter Lucas and make changes to their membership

Show N Tell

Gordon Watt has made the bowl from Desert Ash and Elm. The lidded box is Rosewood and Ebony. Both are finished with Livos Oil.

The project this month was a clock on a stand. Beryl Watling has made this clock using Red Gum and finished with Nitrocellulose Lacquer. The design is by Ken Wraight.

Lionel Hart has made several Wine stoppers from various timbers. There are 2 Oak platters and a Merbau plate. All have been finished with Nitrocellulose Lacquer.

Peter Lucas has made these pens. The group on the left are Masonic pens made with Resin and are commissioned work. The group on the right are fund raising pens for the Pens For Troops project. All have been finished with Micro Mesh.

Charles Wayman is a new contributor. He has made these pens from laminated offcuts and Pine Cones. His finish is Shellawax.

Calendar for 2018-2019

- 26th – 27th October - Goulburn Valley woodworkers show. This year will be held at the Macintosh Pavilion, Shepparton Showgrounds.
- 9th, 10th November - Eltham Woodworkers Exhibition.
- 16th, 17th November - Barwon Valley Woodwrights' exhibition from 10:00am till 4:00pm each day. It will be in the new location of the: Christ Church Hall Corner of Moorabool St and McKillop St, Geelong. Entry is \$5.00 for adults and free for kids.

The calendar is subject to change as needed.

Session Times

Our weekly hands on session times are:
