President's Report – September 2022

Well, the weather is improving and Daylight Saving will give us an extra hour of turning.

We had a good meeting on the 17th of September. Jeff Hollis came along to give us advice on sharpening tools. This was the most active meeting we have had for a long time. Jeff demonstrated sharpening gouges and skewers. There were lots of tools being passed around and a lot of observations. The club gouges were brought to a high standard which we hope you will maintain.

Sausages and onions in bread kept the observers happy.

It is planned that our speaker for next month will be John Lyons who is President Elect of the International Wood Collectors Society. John is the Victorian Representative and has a great knowledge of timber to share with us.

Gordon has already notified you of the Sausage Sizzle at Bunnings Thomastown on Sunday 4th December. This is a great opportunity for the club to make money and to make the public aware of our club. We appreciate all the help we can get. It is always a good day.

Stay Well, Stay Happy
John Wheeler

Projects

Gordon Watt has made these bowls; all have been finished with Livos Countertop Oil. He has used Desert Ash for one bowl, Ash with Beech insert and rim and the third is unknown.

Vic Cerro has made the lidded boxes from Silky Oak and the vase is unknown wood. All have been finished with Cabot Gloss.

Vic has also made this bowl on a plate and a nutcracker bowl.

Mario Fenech has made this candle holder from some species of Conifer and the finish is Shellawax.

Joe Van Koeverden has made this lidded box from Pin Oak and finished it with EEE and Glow.

Joe has made this bowl from Red Gum and he has used the same finish as the box.

Events

Eltham Woodworkers are having their Annual Exhibition in conjunction with the Eltham Festival on the 12th and 13th of November in the Eltham Community Centre. There are many exhibits, a sales table, a raffle with some great prizes and Wes' Workshop where children can make a project at no cost. Some of our members will be there.
