Cooroora Wood & Craft Show 2017 - a great success

The show was held over Friday 12th May and Saturday 13th May. The venue for the show was again the Cooroora Woodworkers clubhouse in the Lowermill Precinct in Cooroy. While final figures were not available it is already apparent that the show was a success. The quality of the competition entries was very good, the numbers of visitors was higher than last year and raffle ticket sales exceeded all expectations.

The show was officially opened by Noosa Deputy Mayor Frank Wilkie. He reiterated his remarks of last year in praising the very high quality of the entries in the various competitions. Club president Dennis Donnelly thanked Frank and presented him with a turned bowl as a memento.

Show 2017 Wrap Final Committee Meeting

The meeting took place in the clubhouse where Ian Robertson the retiring chairman thanked the committee members for their dedicated work which made the show such a great success. He mentioned particularly Aline Briggs for her sterling work selling raffle tickets. Charlie Cobb for running the IGA and Cooroy Outdoor raffles. John Gygar for organising the show cafe as well and a sales tent of items made by members and donated to the club - both ventures were successful. The timber milling team for the milling display and sales. Alex Findlay, Alan Warner, John Kennedy and John Gygar for making the raffle prizes. Maureen Bowden, Bob Chaplin, Peter Bradford and Dennis Donnelly for their demonstrations of woodwork. Richard Roe, Peter Bradford, John Kennedy and Ailene McPhee for their immense efforts in running the competitions. Dennis Donnelly for arranging the judging. -continued on page 2

With all the hard work done and over, the show committee share a relaxed moment.

Show 2017 Final Committee Meeting continued from page 1

John Sargaison for getting our show message into the internet social sites as well as arranging a radio station interview. Jim Pound for the show brochure and the editorials in local newspapers.

Members such as John Sturtz who took on so many jobs - too many to list. Plus all the members and their wives who put out the signs, erected the marquees, raised the banners, helped out in the cafe, on the stalls, helped to sell raffle tickets and manned the box office and then on Saturday afternoon took it all down and put everything away until next year.

Ian recorded a number of suggestions to pass onto the next show committee. The committee applauded Ian for his fine work as chairman.
