**Incorporating HAWKESBURY WOODTURNERS**

## Newsletter April/May 2022

### Club Chatter

Here we go again. The APV went under water once more, thankfully not as bad as last time. Due to the continuing weather, the opening date for the village is still up in the air. We can not prepare a roster until we get firm advice. Again, if you are not on the roster and can spare a Sunday now and then, please let Ian West know.

Sometimes congratulations just doesn't seem enough. To get 1st and 2nd at the Royal is a great achievement. Well done Neil. You might not have heard but Neil is taking a tree change and moving north. I think the club will definitely miss him.

More congratulations must go to Muriel, Ian, Peter and Steve for their good fortunes at the local show. We might have to expand sawyers corner.

The crew at the E. Kurrajong markets had a slow and muddy time. Looks like we will have some sales items left for the Lions markets.

Thirty four attendees for a demonstration must be a record. Many visitors, seven mountain wood turners and a good showing of club members attended the NORGLASS demonstration given by John Wills (National Sales Manager) and assisted by his boss Bret (General Manager). I think everyone came away knowing a lot more about using resin than they did before.

Somehow the rain held off for long enough to get the Outdoor Working Area completed. Looks good doesn't it. The work benches are in place, Bracko's café corner is appealing and the area has been put to use already. Many thanks must go to the team that made it possible. The opening ceremony will be held on 28th May. Neville's widow and daughter will be present to help us pay homage to Neville, say thanks to Robyn Preston for the grant. BBQ to follow.

We have two new members this time. Yvonne Dawson has joined us and seems very keen on making saw dust. The Norglass demo was just too much for Terry Murphy who signed up on the day.
