Incorporating HAWKESBURY WOODTURNERS

Newsletter January 2023

Club Chatter

Here we go again. Happy new year everyone. Hopefully we can achieve as much this year as we did last. An eMail has gone out to everyone regarding members interest in training on wood turning. Tom will be running courses on novice spindle and bowl turning. We hope to get more advanced courses as time goes on. When he gets some time, Brian will be providing training on the Gifkin dovetail jig and box making. I can see some good woodworking coming up.

Our Xmas lunch seemed to go well. It was good to see so many people. Having the meal outside proved to be much more comfortable than inside with plenty of room to move around and some cooler air.

The next **Scroll Saw Workshop** is set for the **3rd February 2023**. We seem to have some very enthusiastic people, soon to be members. Thanks Mary for volunteering to cater this time.

The **Woodwork and Craft show (May 20th & 21st)** is fast approaching. This is our chance to show the club to the public. To do so we will need the participation of **ALL** members so please keep that weekend open. The main areas needing attention are (but not limited to) the following:

Friday 19th early am hours, muscles required.. receive hire equipment (50 tables and chairs) and gear from shed, set up tables, etc. Some craft stalls to set up.

Friday 19th pm hours, BBQ for Network Members set for **6.00 pm**.

Saturday 20th very early am hours to allow craft stalls time to setup, and pm hours, club BBQ and demonstrations.

Sunday 21st am, pm hours, club BBQ and demonstrations, then clean up.

I'll keep everyone updated but at this stage I'm looking at am hours 8.00 am to 12.00 noon and pm hours 12.00 noon to 4.00 pm with members being able to move from one area to another.

We recently carried out a fairly severe workshop clean up. Wood and other "stuff" that had been lying around (on and under benches etc.) and not labeled, was shown the door. I apologize if something you had cherished was discarded.

The next **Lions market** is set for **11th Feb** and we do not have any sales items for this event. All members, please get your woodworking skills going and make a couple of "anythings" for sale. It's money in your pocket.

Cheers
Graham Shakespeare.
