## *Whittlesea Show*

Congratulations to Gordon Watt on his recent successes at the Whittlesea Show. Gordon took out 2<sup>nd</sup> and 3<sup>rd</sup> place.

## *Christmas Lunch*

Our recent Christmas Lunch at the Watsonia RSL was attended by eleven people. The conversation was buzzing although some issues with orders threatened the event. We didn't let it spoil the time together and it made a lovely closing to the year.

## *Projects*

Peter Fisher has made this lidded box from Brazilian Mahogany and finished it with Bee's Wax.

Gordon Watt has made this container from Camphor Laurel and Walnut. The finish is Aussie Oil.

Bob Porter rejoined the club 6 weeks ago and he has made these pens for Christmas presents. He has used Glow to finish the pens.

Lionel Hart has made this yarn bowl using Elm. Lionel has finished all his items this time with Nitrocellulose Lacquer.

This Ash bowl is another piece from Lionel.

More of Lionel's work. The two bowls are from American Oak and Silky Oak.

Lionel has shown his segmented bowls recently. Today is showed uo the jig he made to cut the segements accurately on the bandsaw.
