Incorporating HAWKESBURY WOODTURNERS

Newsletter February 2023

Club Chatter

TTraining Tom is going full steam ahead with the wood turning training. Mary and Rick will soon be able to turn out respectable items. Brian has several members wanting to learn about box making. If interested, see either Tom or Brian.

APV We have had several good sales days at the village recently. Thanks to all those for making Australia Day a success, even though the temperature made it very uncomfortable and kept the gate numbers down. With the Lions markets set for 11th February, the cupboard is getting a little bare. Earn yourself some pocket money and produce some items for sale. Brian has almost finished the two new display cabinets. These should withstand many a flood.

New members Vicky, Sha and Phil have joined our ranks this month. With the Scroll Saw Workshop's fourth session coming soon, we will see our numbers increase considerably. We have a couple of people interested in joining as well. We must be doing something right. Please welcome all new members.

Events The 3rd Scroll Saw workshop was held on 3rd Feb. The interest shown by the attendees is still very high. The 4th and final session is set for the 24th February. On completion of this session they will be offered membership to the club. Bracko and the team have worked wonders organizing this series.

Another wood turning demonstration has been set for the **18th of February**. Brendon will be showing us how to turn a bowl. The usual BBQ will follow.

The Blue Mountains Wood Turning Symposium is drawing near. Information on this event was

provided in last month's newsletter.

Our Woodwork and Craft Show, 20-21 May. We now have 31 craft stalls, 2 wood turning clubs, the Australian Scroll Saw Association and ourselves demonstrating and showing their wares. This means that the pavilion is almost at full capacity. I will still take "stand by" reservations as it is expected that some people will need to drop out for a number of reasons. Our advertising documents are ready for printing but it is still a little too early to start the push. Our club members are eligible to enter the Network's Scroll Saw competition. Many of our members could show them how it's done. The application form is provided below. Further information on entry criteria is available from Ian West or myself.

Newsletter. With a name like mine, I should be better at putting articles together for the newsletter. If anyone has a wood related article or photos, please forward them to the editor **Ian West**.

I'm about to order more "T" shirts. Let me know if you want one. Last price was about \$35 for shirt with collar, club emblem and your name. Club caps and hat bands are being investigated.

Insurance. I think I have discussed this before. We have Public Liability Insurance which means that if someone from the public gets hurt they are covered. If one of us gets hurt we are not. This system goes back to the year dot and I'm not sure why. We have had a couple of quotes from brokers and it's not cheap, around \$28pp. The club can not carry that cost, which means annual fees might have to go up. If anyone has some ideas please let the board know. I'll keep you informed.

Cheers

Graham Shakespeare.

SAFETY STUFF

A REMINDER ABOUT SHOP SAFETY

We must all keep in mind the importance of SHOP SAFETY. Please THINK and ACT responsibly at all times.

It is up to all of us to fulfil our commitment by wearing at all times:

- DUST MASKS,
- PROTECTIVE GLASSES,
- SUITABLE CLOTHING,
- FOOTWEAR ETC.
- EAR PROTECTION

IT DOES NOT HURT TO DISCUSS SAFETY WITH OTHER MEMBERS IF THEY ARE NOT DOING THE RIGHT THING.

REMEMBER.
IT IS YOUR BODY AND YOUR LIMBS.....
