*Merry Christmas and
A Happy New Year.*

President's Report – November 2022

Well, 2022 is almost over and our end of year luncheon at the Watsonia R.S.L was a good opportunity for us to get together with good food and drinks to celebrate a happy year together. Although we are still all feeling the changes caused by covid and for some of us the effects of aging, we can enjoy our good times together.

The sausage sizzle on the 6th December will also give us a chance to get together, have fun and raise money for the club. We appreciate the help we get from members.

The past year has given us more opportunities for getting together. The visit to U Beaut and Carolls was a trip out of our area which was really enjoyable. Speakers at our meetings all added to our knowledge. The Show and Tell is always interesting. Beryl's efforts in photographing all the work and putting it in our newsletters is greatly appreciated.

Our thanks go to the committee members who work so hard to keep everything going.

We look forward to 2023.

I would like to take this opportunity to wish each and every one of you a Merry Christmas and a Happy New Year

Stay Well, Stay Happy.
John Wheeler

Projects

Gordon Watt has made a container with textured pattern and 2 novelty Christmas trees. The container has been finished with Livos Countertop Oil.

Peter Fisher has made this lidded box from Merbau and he has finished it with Bees' Wax.
