President's Report

JANUARY 2019

May I begin by wishing everyone a bright and happy New Year and trust you received some presents that will aid you in your woodturning activities.

No doubt we have all been glued to the T.V. watching the New Year's festivities, the endless cricket matches and the Australian Open tennis. So now it is down to business - get the lathes humming and create some sawdust.

In recent times we have lost Peter Twigg, Kevin Gibb, Bob Stevenson, Bob Collings and Peter Davies. All have been valuable members of the club and we offer our condolences to all the families involved.

Other members not enjoying the best of health include Graeme Matthews, Beryl Watling and myself and I am pleased to say we are all recovering well.

Beryl was our guest speaker at our last meeting and gave a great talk and a visual display on pyrography. She is one of our members willing to try her hand at woodturning, pyrography, scrollsawing etc. in a bid to enhance her skills. In her spare time she looks after our newsletter and club finances with great attention to detail.

Our club meetings, held on the 3rd Saturday of each month, are an opportunity to check on the progress of the club, meet with members who come at varying workshop days/nights and view the "Show and Tell" items recently made.

Many thanks to those who participated in the clean up of our equipment and premises in preparation for the Christmas break.

We had the opportunity to conduct a sausage BBQ at Bunnings today. With a profit of \$712.20 it was well down on our usual expectations but nevertheless it will come in handy with our usual club expenses. For the first time in years I could not attend but offer my sincere thanks to Gordon Watt, Joe van Koevreden, Laurie Taylor, Chris Robinson, Mario Fenech, Neville Young, Ian Rojo, Beryl Watling and two of our newest members Celia Roberts and Ed Frost. Well done everyone!

All the best for the year ahead.

Alan
